2014 objectives of the committee were to:

1. Increase # of participants at provincials
2. Secure quality courses to host future provincials
3. Obtain long term financial sponsors
4. Adds activities and prizes to increase participation

2015 goals

It is the same motivating objectives as above. In order to achieve this we purpose to:

1. Assist in raising funds to be used towards Provincials. The first event has been scheduled as a Masters Dinner. To be held at Portabello's, April 12th, 2014. Coordinator Allison Crawford will circulate more details early in the new year.
2. Assist in organizing a fun golf tournament with proceeds going to GNL. More details to follow.
3. Continue to identify and approach new corporate sponsors to participate in the events.

TOURNAMENTS

Provincial Adults:

As well as awarding the 2 days divisional net winners, GNL will recognize the Divisional 3 day Gross Champions and 2nd place winners.

Provincial Juniors:

In order to increase the number of young golfers competing, the committee is interested in assisting with promoting golf as a competitive sport at the Junior and High school audience, especially amongst the females.

Assist in soliciting golf courses to host the 2017 National Senior Ladies Championships.

Call for proposals to host future Provincial tournaments starting in 2017. (Humber Valley Golf Resort is the site for the 2016 championships)

On behalf of the Committee and GNL Board I want to thank the clubs that hosted the 2014 Championships. It was the general concenus of most players that these were great events made successful only by the efforts of the staff and volunteers at Grande Meadows and Clovelly Golf Clubs.

Respectively submitted,

Jan Peters
