

Course Rating and Handicapping Report

Golf Newfoundland Labrador AGM

November 2014

Golf NL is responsible for determining course and slope ratings for all courses in the Province. According to USGA Course Rating System™ courses must be re-rated at least every 10 years, or if it is a new golf course, within 5 years. A course must also be re-rated if significant changes (ex. Construction, renovations) have been made to the course.

During the 2014 golfing season two courses were visited, Amaruk Golf Club in Goose Bay and Tamarak Golf Club in Labrador City – Wabush. On site measurements, observations and notes were obtained during the rating visits however due to work and personal commitments the final ratings have not been compiled and entering in the USGA Course Rating Program (CRP) database. Over the next few months the rating team of Eddie Bearns and Sandra Sparrow will complete the final rating activities for these courses.

The courses ratings scheduled for the 2015 golf season should include:

- 9 hole courses:
 - Brookside Golf Resort – Women (2002)
 - Terra Nova Eagle Creek – Men (2001), Women (2003)
 - The Willows – Women (2004)

- 18 Hole Courses:
 - Terra Nova Twin Rivers – Women (2002)
 - Gander Golf Club – Women (2005)
 - Grand Falls Golf Club – Women (2005)

The probably of having six course rating complete in 2015 is very slim. There is a serious shortage of active and experienced course raters to try to keep up with the demand. The rating team will do a best effort attempt to address the outstanding ratings over the next year. However, one thru this backlog, there are no more rating required until 2018.

For the courses requiring site visits in 2015, Golf NL will work with the courses noted to develop an appropriate schedule to address these outdated ratings.

Respectfully Submitted;

Sandra Sparrow
Director, Course Rating and Handicapping
Golf NL

APPENDIX I

GlenDenning Golf Women's Tees

<i>TEE MARKERS</i>	<i>USGA Course Rating</i>	<i>USGA Slope Rating</i>	<i>Nine-Hole Course Rating</i>		<i>Nine-Hole Slope Rating</i>
