

Hall of Fame Committee

Year End Report 2015

2015 was a very active year for the Hall of Fame Committee and I would like to thank the Committee members for their valuable contributions and participation. We had wonderful representation from across the Island and Labrador and held regular teleconference meetings throughout the year.

The committee continued to improve on the Outstanding Player awards Order of Merit format that was introduced last year with an update to the points system awarded for individual events. The Order of Merit continues to be based on selected, Individual Stroke Play events around the Province and added weight for points were applied to Provincial, Atlantic and National Championships.

The Committee also offered changes to improve the Course of the Year selection process and made a recommendation to the Board to eliminate nominations for Courses and use a rating system similar to the one used in other jurisdictions, along with added weighting to allow for special circumstances and actions that help grow the game in our Province.

All in all, the Hall of Fame Committee has had a successful year and looks forward to continuing to improve over the long term.

Respectfully submitted by:

Steve Wedgwood, President GNL,

Hall of Fame Committee Chair
