

## Subject: Presidents Report

It's been a fantastic year GolfNL But first let me thank all board members for the continuing support to the organization especially thanks to committee chairs, and to the volunteers who sit on these committees for the support and ideas.

Some of the highlights for the year.

Attended Golf Canada meetings in Toronto.

Celebration reception for our NL Team winning the Willingdon.

Meeting with Golf Canada President in St. John's, Roland Deveau.

Golf in schools program (under 12,000 kids participated)

She shoots she scores - Really well received.

Golf NL did host 11 Tele Tour events across the province - Great success.

Provincial Championships, crowning of provincial champions and team members.

The fund raising committee hosted another successful event at Clovelly.

National Ladies senior and mid-amateur at Humber (with fabulous reviews and huge economic impact to the area)

Golf NL are launching our new Web Site December 2017

I worked closely with our Executive Director with direction to ensure GolfNL present agenda is met and where we need to take this association to ensure the growth and future of this great game of golf.

And again thank you our present board members who are moving on and I look forward to working with our new board members for 2018

To all our major sponsors thank you for making our Golf Association stronger with your support.

Respectfully submitted

---

Ken Casey  
President GolfNL
