

Secretary Report November 2015

The Secretary of GNL is responsible for supporting the Executive Director in the management and administration of the business of GNL, as well as management of the GNL archives and the administration of the nominations process for the Board of Directors.

During 2015 the BOD of GNL completed 6 general board meetings. Meetings were well attended by Directors. Despite efforts to identify an individual the position of Vice President remained unfilled for the entire year. I am happy to report that all BOD positions will be filled for the coming year.

In addition to the regular board meetings a Planning session was held in January. This session has now become an annual planning meeting of the GNL BOD. It allows new board members to get up to speed with their roles and responsibilities as well as allow greater discussion of strategies and plans for the coming year.

We continue to maintain the archive of information in the Rooms and look forward to adding to the archives as more items become available. Should any member have any additional historical information we would request that they contact us so that we can properly archive the information.

The nominations process for the 2016 BOD has yielded a full slate of candidates. This is great news and shows the interest and confidence in the ongoing work of GNL to promote golf in Newfoundland and Labrador.

Thank you to Bally Haly for allowing GNL to utilize their facilities for our Board and Committee Meetings.

In 2016 the BOD will continue to work to effectively management our operations and more importantly ensure we are communicating with our members. Should any member wish to discuss issues with communication from GNL or any other issue please feel free to contact me at any time.

Respectfully Submitted;

Adam Stanley
Secretary
