

Secretary Report November 2017

The Secretary of GNL is responsible for supporting the Executive Director in the management and administration of the business of GNL, as well as management of the GNL archives and the administration of the nominations process for the Board of Directors.

During 2017 the BOD of GNL completed 6 general board meetings and 1 day planning meeting. There have been numerous committee meetings throughout the year, as these are very important on the planning of the year's events. It allows new board members to get up to speed with their roles and responsibilities as well as allow greater discussion of strategies and plans for the coming year.

At present the only vacant position was the resignation of the Vice President. Golf NL is still looking for a Vice President (1 year term) and Secretary, but we do have a few people that have shown interest. This is great news and shows the interest and confidence in the ongoing work of GNL to promote golf in Newfoundland and Labrador.

We continue to maintain the archive of information in the Rooms and look forward to adding to the archives as more items become available. Should any member have any additional historical information we would request that they contact us so that we can properly archive the information.

Thank you to Bally Haly for allowing GNL to utilize their facilities for our Board and Committee Meetings as we did relocate our office to the Sport NL office on May 2nd, 2017. This has been a very positive move for GNL.

In 2018 the BOD will continue to work to effectively management our operations and more importantly ensure we are communicating with our members. Should any member wish to discuss issues with communication from GNL or any other issue please feel free to contact me at any time.

Respectfully Submitted;

Eddie Bearns
Secretary
