

Secretary Report November 2018

The Secretary of Golf NL is responsible for supporting the Executive Director in the management and administration of the business of Golf NL, as well as management of the Golf NL archives and the administration of the nominations process for the Board of Directors.

During 2018 the BOD of Golf NL completed 6 general board meetings and 1-day planning meeting. There have been numerous committee meetings throughout the year, as these are very important on the planning of the year's events. It allows new board members to get up to speed with their roles and responsibilities as well as allow greater discussion of strategies and plans for the coming year.

At present the only vacant position was the resignation of the Membership Director. Golf NL is also looking for a Vice President (2-year term) and have a few people that have shown interest. Two positions, Marketing Director and Junior Director were vacated early in 2018 and were quickly filled by Golf NL, which shows the interest and confidence in the ongoing work of Golf NL to promote golf in Newfoundland and Labrador.

We continue to maintain the archive of information in the Rooms and look forward to adding to the archives as more items become available. Should any member have any additional historical information we would request that they contact us so that we can properly archive the information.

In 2019 the BOD will continue to work to effectively management our operations and more importantly ensure we are communicating with our members. Should any member wish to discuss issues with communication from Golf NL or any other issue please feel free to contact me at any time.

Respectfully Submitted;

Len Woodford
Secretary
